

I'm still here  
I still cast a shadow  
5 more days  
The week is like a meadow  
No one there  
to help you pick your battles  
but I'll be here  
and I still cast a shadow

Rushing Lattice  
I came to you with open arms  
Rushing Lattice  
Do me no harm

Charms break  
subtle in the background  
I'm still awake  
The spark is like a flash now  
I'll be there  
to help you pick your battles  
but peace comes  
to light without a shadow

Rushing Lattice  
I came to you with open arms  
Rushing Lattice  
Do me no harm

Trash Drifts in the Lake  
Garbage in the Sea  
i'll show you what it takes  
To set this one soul free

The Sun drops In sky  
Magic in the air  
I'll show you what it costs  
but I don't think you care
